Hope With Haiti
Fundraiser*

Hope With Haiti

**OUTREACH
TO HAITI**

We changed the fundraiser theme to "Hope WITH Haiti"

*The lives of people we serve have become even more
difficult over the past year*

But our brothers and sisters in Haiti are resilient

Haiti is their home

They are working hard to sustain themselves

They still have hope

And WE still have hope WITH them

Haiti needs our help NOW more than ever

We are on this journey together - we are resilient too!

Because of you... Outreach is continuing to offer services

Because of you... children are still going to school

*Because of you... babies are still getting life saving
nutrition*

*Because of you... expectant moms are still receiving the
care they need*

*Because of you... women are still starting small businesses
so they can feed their children*

*Because of you... children still receive dental care,
vaccinations, and medicines*

*Because of you... lives are still being made better and even
SAVED*

WE can do this TOGETHER if YOU Hope WITH Us

Continue the journey with us!
